# TO THE TRADE.

---

T affords us much pleasure to submit our new Illustrated Catalogue and Price-List to our patrons and the trade in general who have kindly favored us in the past; and to extend our thanks with the assurance, that we shall try and merit a continuance of the same by strictly keeping pace with the requirements of the trade.

Having the advantage of long experience in this branch of business, and the fact that we employ only the best workmen in the different departments, with ample facilities and room, besides buying all our goods and material for CASH, we feel confident in saying, that the advantages derived therefrom will certainly be to the benefit of our patrons. Having now in connection with our Lounge and Bedding Department added the manufacture of Furniture in all its branches, and receiving frequent applications for Illustrated Catalogues, we feel in duty bound to present it in its present form, with the hope that with later revision and designs it will meet the approval of our patrons. Again thanking those who favored us in the past with their orders, promising special attention to merit a continuance of the same in future, and respectfully inviting those who have not yet had acquaintance with us to try our goods, feeling confident of a satisfactory result to both you and ourselves,

We remain, your friends,

**CHAS. HOLLANDER & SONS.**
